

Sayyid Al-Hakeem calls to support drama, document armed forces' acts of valor to face terrorism

Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, emphasized supporting Iraqi drama and documenting the achievements and acts of valor of our armed forces in the face of terrorism and tending to the various programs supporting women, youth, and children on 22/12/2022. H.E. deliberated with the Iraqi media network trustees headed by Professor Jaafar Al-Wannan and stressed that it is imperative for the network to be subjective and just to face the media that seeks to destroy Iraq and its international and regional status.

H.E. illustrated that equity requires giving positives a space the size of the space given to highlight the negatives, it is also imperative to promote a spirit of optimism and positivity and confront frustration language and everything's demonization. H.E. stressed the importance of artistic work in addressing challenges and documenting the key stages of Iraq's history and called to increase its allocated budget to empower it to be present and compete. It is also necessary to devote programs to children and women, discover talents, highlight competencies and elites, and give them space to express themselves and their programs.

H.E. also affirmed the importance of supporting the political system and pointed out that the State's support was not limited to supporting the Government, although it is a part of it, yet the state is bigger and holds institutions and other significant details.
