

Sayyid Al-Hakeem: Religious Authority, Husseinite rites, Iraqi clans preserved Iraq over historic times

At the guest place of Al Jaiyash, Sheikh Hussein Al Ali Al Aja Al Jayashiy on 22/12/2022, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, recalled the historical relationship with Al-Samawah and Al Jayyash clans, which spans a hundred years and is present at every pivotal stage of Iraq's history. His Eminence affirmed the importance of supporting the government and said that Al-Hikma is supporting only and not participating in the government, for the purpose is to provide services and achieve the aspirations of the Iraqi people.

H.E. warned against plans aimed at creating frustration and shaking the people's confidence in themselves and their leaders. H.E. pointed to the challenges that Iraq faced and overcome thanks to the tripartite that has preserved society throughout history, represented by the Religious Authority, Husseinite rites, and the genuine Iraqi clans.
