

Sayyid Al-Hakeem praises the Iraqi media network studios' development

During his visit to the Iraqi media network, Sayyid Ammar Al-Hakeem, head of Al-Hikma National Movement, toured the network's Studios on 3/7/2023, praising the development of the network, indicating that his visit to the network is an expression of his respect and pride for the network, its members and employees and its roles in delivering accurate and objective information.

H.E. pointed out that the media is a key entrance to achieving a correct vision towards the political system and positive transformations, calling on the network to open up to media institutions to form the Iraqi vision of the Iraqi project.

Sayyid Al-Hakeem stressed that the visit was an expression of appreciation, indicating that the visit witnessed the discussion of many proposals, which received a high response from its management and staff, H.E. also called for completing the network law and providing the necessary allocations for it, praising the components channels (Al-Hurriya, Al-Turkmaniyah, and Al-Siryanayah), stressing their importance in reflecting the culture of Iraqi components, indicating that diversity is a source of enrichment for Iraqi culture.
