Sayyid Al-Hakeem: Governorate Visits to Communicate with People, Send Reassurance, Iraqi Belonging Messages

As part of the visit to Kirkuk Governorate, His Eminence Sayyid Al-Hakeem, Head of the National State Powers' Alliance and Head of Al-Hikma National Movement, met with a gathering of the Movement's organizational leaders in Kirkuk, commending the efforts of the people of Kirkuk in confronting dictatorship and fighting terrorism, until we reached the day marking the end of the mission of the International Coalition to Combat Terrorism, and calling for attention to the families of martyrs.

H.E. affirmed the importance of affiliation with the martyred leaders, explaining that the bearers of the project of Shaheed Al-Mihrab are the closest to Shaheed Al-Mihrab (may Allah sanctify his soul), and clarifying the nature of the visits to the governorates and their purpose, which is to follow up on people's conditions, listen to them, and send messages of reassurance and belonging to Iraq, social in nature, in service of the homeland and the citizen, without regard to who is credited with this service.

H.E. stressed the importance of adhering to the approach of moderation and centrism, and of producing solutions to crises and defusing them, noting Al-Hikma National Movement's orientation toward achieving the public interest and the interest of Iraq and its people, whether or not the public knows who contributed to this effort, as what matters is that Iraq has recovered. H.E. called for reflecting on the lessons provided by Imam Al-Hakeem, Shaheed Al-Mihrab, and Aziz Al-Iraq (may Allah sanctify their souls) in preserving Iraq and prioritizing its interest over any other interest.

H.E. also called for checking on people, caring for them, and attending to them, in keeping with the example of the eminent martyrs, and for getting to know the project of Al-Hikma National Movement, its leaders, its prominent figures, and the nature of their sacrifices, and introducing it to others, stressing showcasing the Movement's identity, knowing the political stance on events, and taking pride and honor in the project of Al-Hikma National Movement.
